

Hospital indemnity insurance

REQUIRED LEGAL NOTICE FOR HOSPITAL INDEMNITY INSURANCE ONLY

IMPORTANT: This is a fixed indemnity policy, NOT health insurance

This fixed indemnity policy may pay you a limited dollar amount if you're sick or hospitalized. You're still responsible for paying the cost of your care. The payment you get isn't based on the size of your medical bill. There might be a limit on how much this policy will pay each year. This policy isn't a substitute for comprehensive health insurance. Since this policy isn't health insurance, it doesn't have to include most Federal consumer protections that apply to health insurance.

Looking for comprehensive health insurance?

Visit [HealthCare.gov](https://www.healthcare.gov) or call 1-800-318-2596 (TTY: 1-855-889-4325) to find health coverage options. To find out if you can get health insurance through your job, or a family member's job, contact the employer.

Questions about this policy?

For questions or complaints about this policy, contact your State Department of Insurance. Find their number on the National Association of Insurance Commissioners' website ([naic.org](https://www.naic.org)) under "Insurance Departments." If you have this policy through your job, or a family member's job, contact the employer.

Hospital indemnity insurance

You don't plan on it, but you can plan for it

Hospital indemnity insurance provides a cash payment after each day spent in a hospital to help supplement your health insurance.

Why hospital indemnity insurance makes sense

Hospital indemnity insurance is a cost-effective way to help with the expenses above and beyond what your health insurance plan already covers, giving you the flexibility to spend the money on anything you wish, such as medical bills, health care deductibles, groceries, loss of income, travel expenses or a dog sitter.

Key benefits

- \$75 health and wellness benefit available to everyone insured for completing an eligible health screening, including an annual exam
- No health exam or questions required to purchase hospital indemnity insurance
- Higher payment available for receiving pediatric care at a Children's Mercy facility
- Ability to submit labor and delivery claim ahead of hospital stay at 36 weeks pregnant and be paid
- Payments available for outpatient mental health and substance abuse screenings and care
- Can be used for planned and unplanned hospitalizations
- Cash payments paid directly to you to use for medical and non-medical expenses

Here's an example of how it works*

John elects coverage for himself and his family offered by Children's Mercy.

John's child gets sick and spends two days in the hospital (non-ICU).

John submits a claim and gets a \$1,800 payment from Securian Financial. (\$2,250 if his child is treated in a designated facility).

John uses the money to pay for groceries and other expenses for his family.

*Actual experience and benefit payouts may vary from this example.

What does your hospital indemnity plan cover?

It provides a cash payment to help you offset hospitalization expenses.

Covered hospital benefits	Plan	Designated facility*
Hospital stay		
Initial hospital stay	\$1,500	\$1,875
Initial ICU hospital stay	\$1,500	\$1,875
Daily hospital stay	\$150	\$188
Daily ICU hospital stay	\$150	\$188
Inpatient mental health disorder stay	\$150	\$188
Inpatient substance use disorder stay	\$150	\$188
Outpatient mental health/substance use diagnostic screening	\$150	\$188

The hospital stay daily benefit and the initial hospital stay benefit are both paid out on the first day. For example, if you go into the hospital on June 1, you will be paid for the initial stay benefit as well as the corresponding daily benefits for June 1.

*Benefits increase 25 percent if you are treated at a designated facility. Benefit amounts listed pay in lieu of the non-designated facility amounts shown and are not stacked. Not applicable to health and wellness benefit.
